Organisations

The Watering Hole of Talent

An online platform that reimagines the way the livelihood sector engages with talent.

Services to Organisations

Opportunities Listing

Posting of opportunities by organisations and regular updates through SMS.

Performance Management

Setting performance appraisal systems and evaluation.

Policy and Structure

Setting up HR policy and structures.

Training

Structuring Training programs and nurturing talent in the organisation through online training videos.

Potential

Over a period of time, this watering hole can grow organically to become an ocean of talent that engagements givers and engagement seekers can draw a lot from.
